

CCS-6 Cable Cutter

Designed to cut copper cable with steel content without nicking, degrading or deforming the cutting blades!

CCS-6 Cable Cutter

Platinum Tools introduces the optimal cutting solution for today's VDV (Voice, Data, Video) & security installers. Finally, a compact cable cutter designed to cut coax cable with steel center conductor! Easily cuts through copper and aluminum cable too.

- Fully tested to 10,000 cuts on RG6 CCS, copper clad steel center conductor, with no degradation to the cutting blades
- Provides outstanding cutting performance on all types of solid copper wire, twisted pair and coax cables
- Optimal blade geometry ensures that the cable stays round during the cutting process so connectors are easy to affix to the cable
- Comfortable PVC handle grips

Applications

- Coax CCS
- Coax
- CAT5E UTP/STP
- CAT6 UTP/STP
- CAT6A UTP/STP
- Shipboard
- Battery
- Messenger
- Antenna
- DBS
- Drop
- Ground

Technical Data

- Length: 6.3" (162 mm)
Weight: 7.22 oz (204.8 g)
- Forged from SCM 440 Steel
- Handle grip material: PVC
- Hardness: Handles: HRC42+
Blades: HRC50+
- Rust resistant black oxide finish
